2021 MCBRIDE SCHOLARSHIP APPLICATION

The Society of the Friendly Sons of St. Patrick on Long Island is an organization comprised of Sons of Erin and/or their descendants, who are business owners, executives, professionals or leaders in the community on Long Island. We are interested in the economic development of Ireland as well as the Long Island region and the promotion of the rich culture of our ancestors. Our ends are also philanthropic and charitable, devoted to the betterment of our less fortunate brethren, both here and in Ireland.

The McBride Scholarship was established in 2010 by that year's Favorite Son Robert McBride as a lasting legacy to his father James "Butty" McBride. The Society of the Friendly Sons of St. Patrick of Long Island thanks Robert McBride for honoring his father in such a way that generations to come can benefit from the generosity and work ethic instilled by Butty McBride.
